

Notice on Unclaimed Dividend

This is to inform our concerned shareholders of British American Tobacco Bangladesh Company Limited that the cash dividend for the year 2019 was partially returned due to the wrong address, bank information, and BO account details and the company has since kept these dividends as unclaimed.

The Securities and Exchange Commission notified that the company holds any unclaimed dividends that have not been claimed for more than three years from the date of declaration need to transfer to the Capital Market Stabilization Fund in a directive dated January 14, 2021 (BSEC/CMRRCD/2021-386/03) (CMSF).

Therefore, for any unclaimed cash dividends for 2019, we are asking our valued shareholders to provide their required supporting paperwork to the Company's share office by 11th May 2023. Notable that if the respective shareholders do not make any valid claims to the Company, necessary steps will be taken to transfer their unclaimed cash dividends to the BSEC's Capital Market Stabilization Fund by 16th May 2023.
